Jalan Merdeka Atas Blok IV No. 6, Depok City

I am an undergraduate student majoring in Information Systems at Gunadarma University. I am active in joining organizations such as, BEM and volunteer activities. I improve my hard skills and soft skills by joining campus organizations, training and workshops. I have a disciplined personality, honest, thorough and patient. I am a fast learner, able to work in a team and always curious about things related to technology. I have the ability to work together in a team, time management and communication and have a high will and effort.
